## HEALTHY SCHOOLS GUIDANCE re DRINKS AND SNACKS

From Monday, in order to comply with Healthy Schools guidance, children must only have water in their classroom bottles, as even 'no sugar squash' has been seen to have a significant impact on children's teeth. Can we also please remind parents that snack needs to be fruit or vegetables. Children will not be allowed sweet treats, biscuits or chocolate for snack (other than occasional special events). The school supplies enough fruit/vegetables for all children to have a healthy snack.

Next Friday 15th November is Children in Need day. We are asking the children to come dressed in 'something that makes them happy' in return for a £1 donation. We also have Pudsey items on sale in the office.

On the same day, we are asking for donations of cakes/biscuits. These will then be sold to the children in the morning (20p or 50p per item) and also after school if we have spare. These donations will go to the PTA to support a Christmas visit for the whole school.

## WW2 VISIT

Thank you to Mr Gallagher (our friendly minibus driver!) who visited Crenver today to talk to the children about WW2 and show them some of the memorabilia that he has collected. It really helped to bring this topic alive for the children and we thank him for giving up his time to visit!

## REMEMBRANCE EVENT AT CAMBORNE CHURCH

Well done to the school council representatives from Year 6 who represented the school so brilliantly today at the children's remembrance service at Camborne Church. Also thank you to Mrs Fitton and the children who helped to make our beautiful wreath.
