

Our DT work will be based on joining materials. We will sew a Christmas decoration to sell at our Cracking Christmas. Event.

## Music

The children will learn how to listen to and appraise a variety of songs. They will improvise using voices and instruments. They will learn a wide range of musical vocabulary and use these words correctly when answering questions.

RSHE

We will be identifying hopes and fears for the year, as well as understanding rights and responsibilities they have as a member of the class and school.

We will be learning about how to keep the class a safe and fair place, understanding that there are rewards and consequences.

# Trenoweth Class Topic Web

# Autumn Term

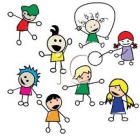

## English

Some of our Literacy work will be based on our 'Read, Write, Inc' books each week. Additional Literacy work will include poetry, based on the book of 'The Lost Words'. Children will also be writing a narrative based on the story of 'The Little Red Hen'. We will focus particularly on character description. We will also write a letter.

## Maths

A variety of topics will be covered including:  
Year 1: Place Value, Addition and Subtraction, and Shape.  
Year 2: Place Value, Addition and Subtraction, and Shape.

## PE

**Dance**—The children will be practising a dance based on animals around the world, varying levels and speed and linking movements together.

**Gymnastics**—Children will be practising and performing a sequence, linking rolls, jumps and balances.

**Games** - The children will be refining their passing and receiving skills through a variety of small, competitive games, taking the lead in their activities and challenging themselves where appropriate.

## History

### 'Childhood'

Children will learn all about Guy Fawkes and the Gunpowder Plot. They will learn why the 5th November is an important date.

### Geography:

We will be learning the countries, cities and seas of the United Kingdom.

## Science

Children will learn how seeds and bulbs grow into mature plants, and will learn about seed dispersal. We will plan and carry out an investigation into the conditions needed for plant growth by planting cress. We will draw conclusions from our results and evaluate our findings.  
In the second half of the term, we will learn about animals including humans.

## Computing

**E-safety** - protecting my friends and family and knowing what can be seen on-line and who by.

We will be learning how to use a mouse and track pad to control a computer. We will learn how to drag objects. We will focus on finding letters and numbers on the keyboard to type words.

## Art

We will be focusing on drawing skills, using a variety of drawing tools and linking this with our class topics for the term. We will explore different textures and observe and draw landscapes.

## RE

We will learn about what it means to be Muslim and how Muslims live. We will learn about what Muslims think about God and why they have different names for God. We will also focus on why the Prophet Mohammed is important to Muslims.  
In the second half of term, we will learn about the Nativity story and why Christmas is important to Christians.
