## VE DAY PARTY

On Thursday (8th May) it is the 80th anniversary of VE day. In order to celebrate this occasion and to teach the children a little more about British history we will be holding a VE day party on Thursday afternoon. Please could each family provide a small plate of food that can be shared as part of our celebrations. If you have a child with allergies, feel free to provide a separate named plate for them and we will ensure that it is kept separately for them. The children can also bring their own clothes to change in to after lunch – it would be good if this could be something red, white or blue (or even all three!) Thank you!

## CLUBS

Clubs are starting next week (except Monday clubs due to the Bank Holiday), please check Dojo for information about groups for gardening club and rounders club as these clubs were very popular and we have had to split them into groups!
