## VISIT FROM SPACEPORT CORNWALL

Today Crenver were lucky enough to have a visit from one of the staff at Spaceport Cornwall to find out more about the rocket launch that took place this week. It linked really well with the work that Crenver completed in the Autumn Term when learning about space. Our visitor was very impressed with the children's behaviour and the interesting questions that they asked.

## LATENESS

The Education Welfare Officer visited school this week and was concerned regarding the number of children who are still regularly arriving late to school. Please can we remind you that school starts at 8.45am and the gate will be closed at this time. If your child enters through the main entrance, they will be recorded as late and this will be monitored by the Education Welfare Officer.
