

Crowan School Newsletter –27th June 2025

FUN SPORTS AFTERNOON

Thank you to all the parents who came to support the children as they took part in the fun sports afternoon. I know that the children really enjoyed themselves and it was lovely to see the older children helping the younger children with some of the trickier games. Well done to the Year 6 children for being such good sports with being splatted (and well done to the parents for being such good splatters!!). Also a huge thank you to the people who gave up their time voluntarily to support with the afternoon. Next week we will add some photos to Facebook so you can enjoy the action! Finally, a huge thank you to Mrs Watts for organising this event for our children.
