

## P.E & Sport Premium Impact Statement 2023-2024

### School Context

*Any information about school which may have impacted on swimming and/or PE Premium spend this year.*

Crowan is a rural school with around 95 children in 4 classes- Reception, Year 1&2, Year 3&4 and Year 5&6. Praze-an-Beeble is a small village on the outskirts of Camborne with few transport links to other villages and coastal areas. Camborne is a reasonably deprived area, where opportunities to go to the beach, afford swimming lessons, experiences beyond the village itself are limited. At Crowan school, we have seen the level of speech and language difficulties increase over the years as well as abilities in communication and teamwork. The impact of Covid is still being felt with children missing out on opportunities to learn and communicate through exploring the outside environment. Teamwork skills, patience, communication and problem solving are all areas which have been affected through the lack of outdoors opportunities. Crowan's ethnicity is that of a typical Cornish, rural school but does include a small percentage of diversity in its population.

### Review of last year's spend and key achievements (2022/2023)

Activity/Action	Impact	Comments
<p>Memberships to Sporting Alliances.</p> <p>Resources for EYFS outdoor area.</p> <p>New Polytunnels and benches.</p> <p>Sports provided by DT Sports, Chance to Shine Cricket and Cornish Pirates.</p> <p>Surfing opportunity.</p> <p>New resources and PE kit for both children and staff.</p> <p>Transport costs.</p>	<p>Recognising that many children face challenges in speech and language, and general communication skills, we have prioritised enhancing our outdoor environments and opportunities as a means to address these issues. We have provided all the children at Crowan with opportunities to access these improved areas.</p> <p>Children at Crowan have had the opportunity to experience a wide range of physical activities that suit different individuals. Improving the children's attitudes towards being physically active. We have shown children that there are more sports and physical activities available to them than traditional team games.</p> <p>At Crowan, we believe in the value of competition and celebrating sporting excellence. Consequently, we have maintained memberships in two</p>	<p>This year, we had a good start to improving our outdoors provision for the Early Years and the rest of the school. In 2023/24, we will continue to improve this provision by resourcing these areas so that high quality outdoors learning can continue.</p> <p>Transport continues to be a barrier to providing further opportunities.</p>

	<p>sporting alliances, providing children with opportunities to compete in a variety of sports.</p> <p>Additionally, we recognise the importance of sports and physical activity for children's physical and mental health. Therefore, we have invested in improving overall attitudes towards PE by providing spare kits for both children and staff.</p>

#### Key Indicator

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
2. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5-18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
4. Broaden experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

DT Sports Football Ref	Football team	5	Hosting a football match and the chance to compete in front of a home crowd. <b>Possibly train staff member.</b>	£35

This planning template will allow schools to accurately plan their spending and regularly update it as a working document.

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements school's have made with their Primary PE and Sport Premium spend.

Activity/Action	Impact	Comments
Ongoing enhancement of the outdoor space to foster speech and language development, improve communication skills, and promote teamwork, included Forest Schools resources.	Increased provision for activities in the outdoor environment which provides opportunities to develop speech and language, teamwork, resilience, patience and problem solving.	The outdoor spaces are well developed now and resourced. Next year, we will need a well-planned Forest School curriculum, further resources and training for staff.
Wide variety of sports and active clubs were offered to the children in 23/24.  Provision within the EYFS.	Children had a wide variety of sports and active clubs to choose from, which were not all traditional team sports.  Over the past two years, the EYFS outdoor area has been developed and equipped with new resources. This has improved the quality of outdoor learning and expanded the opportunities available to the children.	School sports clubs and DT sports clubs were well attended where children's comments were very positive. Next year, explore a further variety of physical activities that could be offered.  The EYFS provision has improved in the outdoors area.
Variety of Sports Clubs offered.	With the large variety of sports clubs offered, a higher percentage of children attend active clubs.	A high percentage of children are attending sports and active clubs at both Key Stage 1&2. Next year, we will explore options for additional clubs that provide various forms of physical activity.

## Swimming

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

Cohort	No. of Y6 children	Number of children achieving end of year expectations.	% of Y6 pupils who could use a range of strokes effectively when they left primary school?	% of Y6 pupils who could perform safe self-rescue in different water-based situations when they left your primary school?	Have you used the PE&SP to provide additional provision for swimming, <b>over and above</b> the	Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming
