

As mentioned in the information emailed home regarding homework, this is a grid of activities linked to our topic which are for this half term. We would ask that all children complete at least one of these, but they can complete more or all of them depending on their interests and enjoyment. Once they have completed one of the activities on the grid, they can colour it in. They may also wish to bring it into school to share with their class, however this is not compulsory.

Can you make something for your garden? E.g a bird feeder, planter etc.	Choose any setting you wish, and write a setting description, using all the Literacy features you have learned in class.	Can you act out the story of Little Red Riding Hood with your family/draw a story map?
Play a game of tennis/rounders with your family, or even make up your own game with a bat and ball.	Ask elderly relatives about their experiences of the seaside when they were young.	Go for a walk around Praze and design your own map from your house to show your walk (or other area if you don't live in Praze).
Can you set up a seaside shop at home and practise using money?	Can you draw a poster to explain the changes in the four seasons?	Can you make up your own song/make your own instrument?
